**NO GRADUATE ASSISTANTSHIP**

As of the date I sign this form, I certify that I have not been notified of any graduate assistantship for any part of the academic year.

I understand that if I am notified and accept one at any time during the year, I must report this to Student Financial Aid, Employment and Scholarship Services within 5 working days of the date I sign the contract.

I further understand that I must repay all aid received which is over-awarded as a result of the assistantship and waiver of fees. Repayment must be made in full no later than the end of the semester in which the contract for assistantship was signed. A hold will be placed on my record and all University services will be withheld, including registration, until the repayment is completed.
